

PANGEA PROPERTY PARTNERS

Internship Program 2019

PANGEA PROPERTY PARTNERS is a leading advisory firm focusing on property related corporate finance and transaction services in the Nordic market. Currently, we are looking for skilled candidates with strong academic results who want to participate in our full-time summer internship program 2019, with possibility to start working part time as soon as possible for the right candidates. As part of our cross-border transaction team, you will be based in Stockholm and work with a variety of assignments with focus on transaction support, market research and financial modeling.

APPLICATION:

Send your application to info@pangeapartners.se before 1 March 2019 including:

1. Personal cover letter
2. CV
3. Grade transcripts

Please note that students in the 3th - 5th year will be given priority as well as students speaking Swedish and English at an advanced level. We will start interviewing immediately.

PANGEA PROPERTY PARTNERS is an independent Nordic corporate finance and advisory firm focusing on the real estate sector. The company has offices in Stockholm, Oslo and London with some 30 employees. Since the start in 2009, we have executed more than 400 transactions with an underlying property value exceeding SEK 300bn. The mandates include large property divestments and acquisitions as well as corporate transactions, capital raisings and debt financing. For example, we advised Castellum on the SEK 26.2bn acquisition of Norrporten in 2016, the largest deal on the Nordic property market since 2008.
